RE: TEMPORARY INJUNCTION

Your Honor,

I've contacted the Gang Coordinator,
And upon my conviction I'm being sent outside of
Maryland to do my time. However in the last 2
years B.C.D.C. has developed a new policy. It's
now holding newly convicted and doing classification
inside of B.C.D.C. I have 2 lawsuit against
B.C.D.C. staff and I've been stabbed twice due
to B.C.D.C. security.

It's a life or death situation if I'm forced
back to B.C.D.C. I will not be the victim again.
The classification procedure is done by the admini-
-strative representation. Convicts has absolutely nothing
to do with the process. I can be classified here at NBC-I
my presence is not required. When my lawyer needs to
talk to me he calls and I'm allowed to speak with him

Finally. Your Honor I'm not safe inside B.C.D.C. it's NO
if axels or bats. Someone will get hurt or lose there life

SIGNED,

Derrick Toomer

I HEREBY DECLARE THAT EVERYWORD
IN THIS MOTION/LETTER IS 100%
TRUE TO THE BEST OF MY
KNOWLEDGE.

Respectfully
Submitted,
